**Second Amendment to Petition for Designation as an Eligible
Telecommunications Carrier**

Virginia Cellular, LLC (“Virginia Cellular”), by counsel, hereby amends its Petition for Designation as an Eligible Telecommunications Carrier (“ETC”) in the State of Virginia (“Petition”)¹. Specifically, Virginia Cellular modifies its requested ETC service area so as to exclude the Central Telephone of Virginia (“Central”) Schuyler exchange in its entirety and to include the entire Mountain Grove-Williamsville Telephone Company (“MGW”) Williamsville exchange.

I. VIRGINIA CELLULAR MODIFIES ITS REQUESTED ETC SERVICE AREA TO EXCLUDE CENTRAL TELEPHONE OF VIRGINIA’S SCHUYLER EXCHANGE

In its Petition, Virginia Cellular requested designation in only a portion of Central’s Schuyler exchange since Virginia Cellular’s licensed service area only covered approximately half of the Schuyler exchange. Virginia Cellular hereby excludes the Schuyler exchange from its Petition. As a result, Virginia Cellular does not propose to serve any area served by Central. A revised Exhibit F is attached hereto reflecting this change.

¹ See *Virginia Cellular LLC* Petition for Designation as an Eligible Telecommunications

II. VIRGINIA CELLULAR MODIFIES ITS REQUESTED ETC SERVICE AREA TO INCLUDE MGW's WILLIAMSVILLE WIRE CENTER IN ITS ENTIRETY

By this Amendment, Virginia Cellular requests modification of its proposed ETC service area to include MGW's Williamsville wire center in its entirety. In its Petition and a subsequent Amendment, Virginia Cellular requested ETC designation in MGW's Deerfield and McDowell wire centers in their entirety and in all but a very small portion of MGW's Williamsville wire center. Since that time, Virginia Cellular has determined that there are approximately only 200 people in the small portion of the Williamsville wire center, that was previously excluded. Therefore, since it is such a small area and so few people are affected, Virginia Cellular agrees to extend its ETC service area to include all of the Williamsville wire center.

As a result, Virginia Cellular will be serving three entire exchanges of MGW and required to designate Virginia Cellular for any partial exchanges of MGW. See revised Exhibit F attached hereto.

III. Conclusion

Virginia Cellular hereby amends its original Petition as set forth herein.

Respectfully submitted,

Virginia Cellular LLC
